

# OSO/Crew Systems Catalog:

**Public Release Statement:** This document has been reviewed for proprietary, sensitive by unclassified (SBU), and export control (ITAR/EAR) and has been determined to be non-sensitive. It has been released to the public via the NASA Scientific and Technical Information (STI) process, DAA Control Number 40686.

# Common IVA Tools:

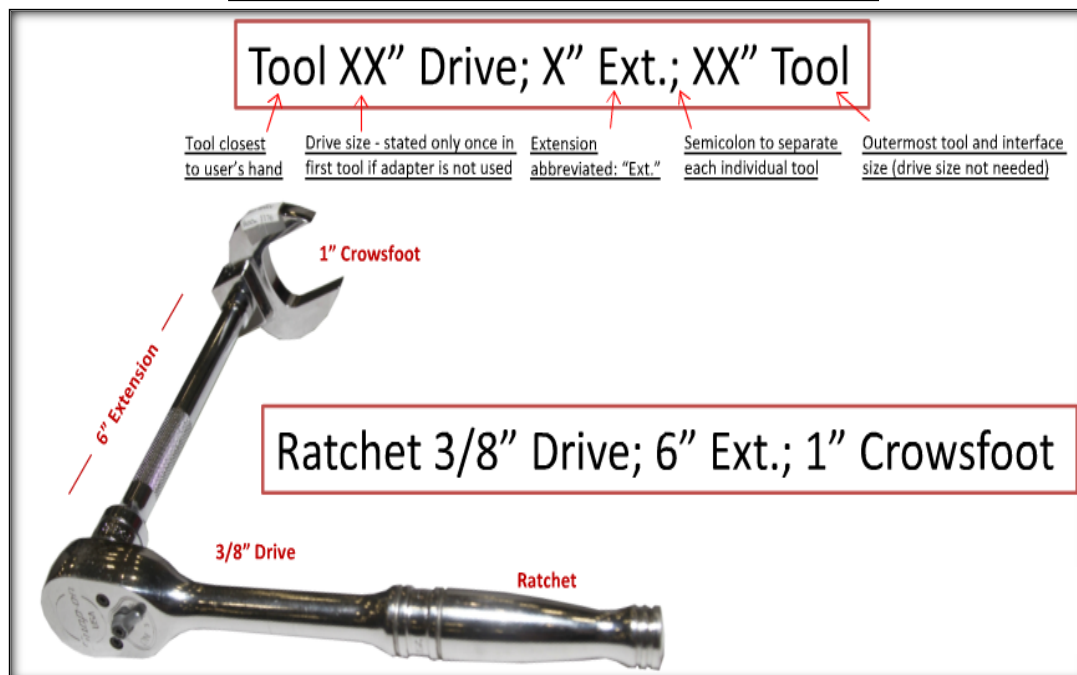

| Tool                              | Picture   |
|-----------------------------------|---|
| Combination wrench                |    |
| Crowsfoot wrench                  |    |
| Driver Handle                     |    |
| Ratchet                           |    |
| Socket                            |    |
| Hex Head                          |  |
| Socket Adapter                    |  |
| Extension                         |  |
| Torque Wrench                     |  |
| Screwdriver (common tip/flat tip) |  |
| Screwdriver (Phillips)            |  |

| Tool                                  | Picture   |
|---------------------------------------|---|
| Screwdriver (Torq tip)                |    |
| Mechanical Finger                     |    |
| Speed Handle                          |    |
| Wire Cutters                          |    |
| Adjustable Joint Pliers               |    |
| Needle Nose Pliers                    |  |
| Vise Grips                            |  |
| L-Wrenches                            |  |
| Connector Pliers                      |  |
| Files                                 |  |
| Hammer ("dead blow" ball peen hammer) |  |

| Tool         | Picture   |
|--------------|---|
| Pry Bar      |  |
| Chisel       |  |
| Center Punch |  |
| Feeler Gauge |  |

| Tool        | Picture   |
|-------------|---|
| Hacksaw     |  |
| Bone Saw    |  |
| Pipe Wrench |  |
| Breaker Bar |  |

## Tool Op Nom Examples

## Restraints and Mobility Aides:

| Name                                    | Picture  |
|---|--|
| Adjustable Bungee                       |  A black bungee cord with two metal hooks and a small white label, shown next to a ruler for scale. |
| Fixed Length Bungee                     |  A black bungee cord with two metal hooks and a small white label, shown next to a ruler for scale. |
| Handrails (8.5 in., 21.5 in., 41.5 in.) |  A blue handrail with a metal bracket and a small white label, shown next to a ruler for scale.   |
| Cable Strap                             |  A black cable strap with a metal hook and a small white label.                                   |

| Name                 | Picture   |
|----------------------|---|
| Flexible Bracket     |  A blue flexible bracket with a metal hook and a small white label, shown next to a ruler for scale. |
| Multi-Use Bracket    |  A multi-use bracket with a metal hook and a small white label, shown next to a ruler for scale.     |
| Seat Track Stud Ring |  A metal stud ring with a small white label, shown next to a ruler for scale.                       |
| Tethers              |  A yellow tether with two metal hooks and a small white label.                                     |
